

Cookie statement

We use functional and analytical cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone when you first visit this website. We use cookies with a purely technical functionality. These ensure that the website works properly and that, for example, your preferred settings are remembered. In addition, we place cookies that keep track of your browsing behavior so that we have insight into how the website can be developed better.

On your first visit to our website, we already informed you about these cookies and asked for permission to place them. You can opt out of cookies by setting your internet browser so that it no longer stores cookies. In addition, you can also delete all information that has previously been stored via the settings of your browser.
